

"Animals of Land, Sea, and Air"

VACATION BIBLE CAMP

For: 5 - 10 yr. Olds

This exciting program will focus on bible scriptures that feature animals. We'll explore animals that fly in the air, those that swim in the waters, the ones that crawl upon the land, and those that walk upon the earth. The week will end with the vision of all God's creatures living in harmony. Participants will share aspects of the week in the service on Sunday, August 24. This day camp experience reminds kids that they are part of God's creation and have much to offer in the way of caring for the earth and all living things. There will be lots of stories, songs, games, art, crafts, and snacks too.
