Two babies are born on the same day, but worlds apart — rural China and Malibu, California. Born with a facial deformity, Lin faces quiet hardship. Katie, who lives a pampered life, is drawn to work with the Doctor's Gift program (based on Operation Smile). An adventure brings the teenage girls together, their lives forever changed.

In this romantic comedy, David (Paul Campbell), a self-described ladies' man, shares his dating tricks with Joe, his heartbroken widowed grandfather (Andy Griffith). Joe gets mixed up in a love triangle with Edna (Liz Sheridan) and Rose (Doris Roberts), while David strikes out with the girl of his dreams, Julie (Marla Sokoloff). Will the would-be Don Juans discover the real secret about romance?
