IGNITEworship

Friday, November 17, @ 6PM

Our November **IGNITE Friday** is coming soon with programming not just for youth, but for adults too. Combining heartfelt worship, plenty of good food and time to connect with one another, this is an opportunity to get to know each other and be together as community while stretching your mind and spirit.

Worship in the Sanctuary begins at 6:00 pm with the theme **Re:member**.

Dinner follows around 7:00 pm in the Lower Hall, and then the following programs are offered beginning about 7:45 (ish).

FUEL & SR. YOUTH COMBINED:

Grades 4+ will join Allie and our amazing Youth Leaders for our annual “**Ugly Christmas Sweater Creation Night!**” BYOsweater- we will supply all the Christmas bits, bobs and jingly things.

BIBLE & BREW:

Young Adults Age 18+ are invited to join Bochon & Will in the Faith Room for a conversation. We hope to explore the evening’s worship theme and also imagine and brainstorm the creation of young adult topics for future gatherings.

LIVING FAITH

Adults will gather after dinner in room 201 for ***Climate Change: What’s happening and what we can do about it***, with beloved CBC science interpreter Bob MacDonald. We will view and discuss a 20-minute video in which McDonald sheds light on frequently asked questions about climate change, and considers how we can help in addressing the threat. Think of this as an evening of “Everything you have ever wanted to know about climate change but were afraid to ask.”
