

The Opioid Crisis: Towards Hope and Healing

...is Decriminalization part of a Solution?

A panel discussion with:

- Dr. Evan Wood, Canada Research Chair in Inner City Medicine, Director of BC Centre on Substance Abuse
- Leslie McBain, Co-founder of Moms Stop the Harm
- Donald MacPherson, Director of the Canadian Drug Policy Coalition

What is the current situation in BC?

What is happening on the North Shore?

How might decriminalization of simple possession make a difference?

Become informed. Become a part of a long term solution. This event is co-hosted by Highlands United Church and First United Church Mission.
