Making Truth Stones.

Declare your truth! On the front lawn of the church there is a table of stones, markers and a question for you to answer. “When are you most at peace?” “Who do you trust the most?” Come by. Declare your truth. Write it on a stone. Leave it for others to see.

Making Lenten Affirmations

An affirmation is defined as “the assertion that something is true.” But when it comes to faith, and much of life, the thing that makes it true is our intention, desire and commitment. So during Lent, you are invited to make daily affirmations. As we make them, live into them, they become true.
